Re: Docket 2018-136-T - Application of Gamecock Moving, LLC to Amend Tariff.

Dear Ms. Boyd:

On April 19, 2018, Gamecock Moving, LLC filed a request to amend its tariff. I am writing to request the Commission waive publication of notice of this request. The request is made because the proposed changes --charges for packing materials, a credit card processing fee, and discounts for Palmetto Health employees, students, and military personnel --- are minor, and adequate notice is already given on the Commission's website through its Docket Management System. Waiver of notice by publication is expressly contemplated in the Commission's regulations:

When Publication Required. Whenever any new or changed rate, fare, charge, rule, or classification is filed, the commission may, *in its discretion*, require the filing party or parties to give notice of such filing by publishing once, a notice in the form prescribed by the commission, in newspapers of general coverage in the affected territory. If publication is required, affidavits of publication must be returned to the commission's offices as evidence of compliance with such publication requirement.

S.C. Code Reg. § 103-193(2) (*emphasis added*)

I have not had the opportunity to consult with counsel for ORS before submitting this request, but I am inviting their response by copy of this letter. Thank you for your consideration in this matter.

With best wishes, I am,

Sincerely yours,

Charles L.A. Terreni
